Applying for a residence permit? Prepare for your visit to a service point!

If you applied online, bring with you to the service point:
• a passport
• a passport photo or a photograph retrieval code from a photo shop
• originals of all your documents.

If you applied on paper, bring with you to the service point:
• a filled-in application form
• your passport + copies of your passport
• a passport photo or a photograph retrieval code from a photo shop
• originals and copies of all your documents.

If you have documents that are not in Finnish, Swedish or English, have them officially translated and bring the translations with you.

If a child under 18 years of age is applying with you, you and the child must visit the service point together.

If you are applying on paper, bring with you to the service point:
• a filled-in application form
• a passport + copies of your passport
• a passport photo or a photograph retrieval code from a photo shop
• originals and copies of all your documents.

Remember to bring cash or a card for paying the processing fee.

We are happy to serve you in Finnish, Swedish or English. If you don’t speak any of these languages, bring along someone who can help.

Welcome to the service point!
