12. Processing of personal data

<p>The Population Information System and your personal identity code</p>	<p>If the Finnish Immigration Service grants you a residence permit, your personal information is by law usually recorded in the <i>Population Information System</i>. You will also be issued a <i>personal identity code</i>.</p> <p>The Population Information System is Finland's population register. It is electronic and its contents are available to all Finnish authorities. Some of the data can also be disclosed to private persons or entities. The register is controlled by the Digital and Population Data Services Agency. The personal information in the register is stored permanently.</p> <p>A personal identity code is a means of identification used in Finland. No two persons can have the same personal identity code. The code consists of 11 characters and is based on your date of birth and your gender (example: 131052-308T). Being issued a personal identity code gives you no rights or obligations in Finland. You will usually need it when you contact public authorities, because it gives them access to your information in the Population Information System. Also for instance employers, banks or phone operators may need to know your personal identity code.</p>
---	---

	<p>At this stage, the following personal data will be recorded in the Population Information System: your name, date of birth, gender, citizenship, native language, address and occupation.</p> <p>More information on the processing of personal data recorded in the Population Information System can be found in the privacy statement available at dvv.fi/en/pis-privacy-statement. You may also request it from the Finnish Immigration Service or from the Finnish mission (embassy or consulate) to which you return this application.</p>
The UMA system	<p>The information you have given on this form will be recorded in the electronic case management system (UMA) of the Finnish Immigration Service.</p> <p>The UMA system is used for processing, decision-making in and monitoring of matters governed by the Aliens Act and the Nationality Act. All documents related to the processing of your matter will be filed in the UMA system. More detailed information on the processing of your personal data and your rights concerning the processing can be found on our website migri.fi/en/data-protection. If you wish, you can get a paper copy of the statement when you submit your application.</p>

13. Date and signature

I am applying for a residence permit in Finland, and hereby confirm with my signature that the details I have provided on this form and in the attachments are correct. I am aware that providing false personal information or false written documentation to the authorities is a punishable act in Finland according to law. Providing false information may result in rejection of the application or withdrawal of an existing permit, removal from the country and an entry ban to the Schengen area.
