RESIDENCE PERMIT APPLICATION FOR THE SPOUSE OF A FINNISH CITIZEN

This form is for you if you are applying for your first Finnish residence permit on the basis of family ties. Your spouse is a Finnish citizen and you intend to move to Finland and to lead a family life with him/her. Your spouse is your husband/wife, your registered partner of the same gender or a cohabitee with whom you have lived in a marriage-like relationship for at least two years, or with whom you have joint care of a child.

In addition to this form, your spouse must fill in the form PK2_plus to respond to questions concerning family ties. Enclosing the clarification form with the application proper will make processing of the application quicker.

Carefully fill in and sign the application. Incomplete information will delay the processing of the application and may lead to its rejection.

An application may be submitted to a Finnish diplomatic mission abroad or at a service point of the Finnish Immigration Service in Finland. A processing fee will be collected when the application is submitted, according to the Decree on charges. Read the instructions for filling in the form at www.migri.fi
Clarifications that you need to support your application are listed in Section F of this form.

I am applying for my first residence permit

Population registration and the personal identity code

If you wish, you may request a Finnish personal identity code to be issued with your residence permit. In that case, the personal information in your passport, as well as your address, mother tongue and occupation, will be recorded in the Population Information System, which is Finland's national population register. If no residence permit is granted, no information will be recorded in the Population Information System, and you will not be issued with a personal identity code.

The 11-character personal identity code is based on your sex and date of birth (e.g. 300171-931H). You will need it when contacting the Finnish authorities. It will also make things easier for you when, for example, you contact a bank or your employer.

I request that my personal information be recorded in the Population Information System
