| Population Information System and personal identity code | <p>By law, your personal information will usually be recorded in the Population Information System of Finland if the Finnish Immigration Service grants you a residence permit. You will also be issued a personal identity code.</p> <p>The Population Information System is Finland's population register. It is electronic and its contents are available to all Finnish authorities. Some of the data may also be disclosed to private persons or entities. The register is controlled by the Digital and Population Data Services Agency and the State Department of Åland. The personal data in the register is stored permanently.</p> <p>A personal identity code is a means of identification used in Finland. No two persons can have the same personal identity code. The code consists of 11 characters and is based on your date of birth and your gender (example: 131052-308T). Being issued a personal identity code gives you no rights or obligations in Finland. You will usually need the code when you contact public authorities, because it gives them access to your information in the Population Information System. Even employers, banks or phone operators, for example, may need to know your personal identity code.</p> <p>At this stage, the following personal data will be recorded in the Population Information System: your name, date of birth, gender, citizenship, native language, address and occupation.</p> <p>Further information about the processing of personal data recorded in the Population Information System can be found in the privacy statement available at dvv.fi/en/pis-privacy-statement. You may also request a paper copy from the Finnish Immigration Service or from the Finnish mission to which you return this application.</p> |
| The UMA system | <p>The information you have provided on this form will be recorded in the electronic case management system (UMA) of the Finnish Immigration Service.</p> <p>The UMA system is used for processing, decision-making in and monitoring of matters governed by the Aliens Act and the Nationality Act. All documents related to the processing of your matter will be filed in the UMA system. For further information on the processing of your personal data and your rights related to the processing, see migri.fi/data-protection. You can request a paper copy of the statement when you submit your application.</p> |
